

## **ANGLICAN CARE - CELEBRATING ITS SENIORS WITH A BBQ BONANZA**

**As part of this year's Seniors Week's Celebrations, Anglican Care will be hosting a BBQ Bonanza for their retirement living and community based clients.**

The BBQ will be funded from monies received as part of the 2011 NSW Seniors Week Grants Program and will celebrate our residents and clients and their ongoing contribution to family, friends and their community.

Providing an opportunity for socialisation for residents and clients, the function will offer intergenerational activities with entertainment being provided by the Teralba Primary School Choir. There will also be a technological twist, with demonstrations on the Nintendo Wii Games Console!

"We very much look forward to this year's Seniors Week function and plan on providing our residents and clients with a wonderful day of fun, food and entertainment in line with this year's Seniors Week slogan 'Live Life!'," said Kylie Jacques, Marketing and Communications Manager at Anglican Care.

"This is the perfect opportunity for us to show our seniors how much we appreciate them", said Ms Jacques.
