

ALICE BARRIE TO CELEBRATE 106 YEARS AT ANGLICAN CARE'S GREENMOUNT GARDENS HOSTEL TODAY

Aged care resident Alice Barrie will today celebrate her 106th birthday, surrounded by family and friends at her home at Anglican Care's Greenmount Gardens Hostel in Mount Hutton.

From 1.30pm, staff and management will acknowledge Alice's birthday achievement with a celebratory afternoon tea at the facility.

Alice has been a popular resident of Anglican Care for the last eight years, since she moved from her original home at the seasoned age of 98.

All staff at the facility know Alice for her tremendous spirit and optimistic attitude. She attributes her longevity to her positive outlook on life and always makes an effort to keep a smile on her face.

Emulating from this brilliant smile, Alice has demonstrated her astonishing character, surviving the great depression, two world wars, two earth quakes and two Halley's comets.
